COURSEWORK

Data Structures and Algorithms
Object Oriented Programming
Operating System
Database Management System

SKILLS

PROGRAMMING

•Java •C •Python •HTML •CSS •SQL
Familiar:

•Java

PERSONAL SKILLS

•Dedication and Work Ethic
•Attention to Detail
•Problem Solving

CERTIFICATION

Introduction to Java
Data Structures in Java
Java Basic
OOPs in Java
Fundamentals of Html
Fundamentals of CSS
CSS
SQL (Basic)
Problem Solving(Basic)

EXPERIENCE

CODING NINJAS | TA INTERN

May 2023 - Present

• As a Teaching Assistant Intern specializing in Java programming and Data Structures and Algorithms, I am dedicated to supporting students in their learning journey. Passionate about sharing knowledge and assisting learners, I am committed to helping them develop strong programming skills and problem-solving abilities.

TECHNOFUNNEL | WEB DEVELOPMENT USING MERN (INTERN)

July 2023 - Present

• As a web developer interning at TechnoFunnel, I specialize in MERN stack development. Passionate about innovative web solutions, I enjoy collaborating with talented teams to create dynamic and user-centric applications. Open to new opportunities!

ACHIEVEMENTS

- Solved 300+ DSA problems on leetcode, codestudio and geeksforgeeks
- 5 Star in Java @Hackerrank
- 5 Star in Python @Hackerrank
- Rank 1 on Campus leaderboard @codestudio
- Rank 1 on weekly leaderboard @codestudio
- Rank 89 on Institute leaderboard @geeksforgeeks

SUMMARY

• Currently pursuing a Bachelor of Technology (B.Tech) with a SGPA of 8.49. A dedicated and detail-oriented student with a passion for learning and a strong academic track record. My deep understanding of technical concepts and proficiency in various programming languages, including Java, DSA, HTML, and CSS, empower me to solve challenges with an analytical mindset. I possess good English communication skills, facilitating effective team interactions and project coordination. Committed to continuous learning and innovation, I am actively expanding my expertise in JavaScript and SQL to contribute innovative solutions to real-world challenges. An enthusiastic team player, ready to utilize academic achievements and passion for technology to make a positive impact in a dynamic and growth-oriented environment.

INTERESTS AND HOBBIES

- Listening to Music: I enjoy exploring various genres of music and discovering new artists. It helps me relax and fuels my creativity.
- Photography: I have a keen interest in capturing moments and expressing my perspective through photography.
- Cricket: I am an avid cricket fan and actively participate in local cricket leagues. It not only keeps me physically active but also teaches me the value of teamwork, strategy, and perseverance.
